## SALE TERMS

### EMBRYO PACKAGE RULES:

All embryo packages consist of three (3, unless stated otherwise) embryos. All embryos are fully guaranteed to consist of their respective mating described herein. There are no guarantees either written or oral as to the conception rate realized when using these embryos due to the geographical locations and nature of the event. Consignors will accept no responsibility if seller implants embryos on his/her own terms. An exception to the rule is if the buyer uses an embryo technician that is agreed upon by the seller and the buyer informs the seller of his intentions in writing (handwritten or email) prior to implanting the embryos, at least one pregnancy will be guaranteed per three embryos sold (unless stated otherwise in lot). In all cases, the buyer is responsible for all shipping and expense.

**ALL EMBRYOS WILL BE SOLD PER EMBRYO.**

### RIGHT TO FLUSH RULES:

A minimum of six (6) embryos, Grade One, transferable embryos are guaranteed to the Buyer. In the event the chosen cow does not produce a minimum of six (6) embryos, the buyer will have the option of flushing the cow again until the minimum and only the minimum of six embryos is achieved, or the buyer may have the option of a prorated price per embryo return based on purchase price at the Black Hills Stock Show®. This settlement will be handled only through the buyer and seller. If the chosen cow produces more than six transferable embryos, all embryos will be the property of the buyer. Consignor is responsible for choosing the embryo technician and location for flushing procedure. This information will be available at auction time. The buyer will be responsible for the expenses associated with the embryo flush, unless otherwise stated. A written document will be signed by consignors and buyer after the sale that defines and guarantee terms and conditions of flush. Time range donor can be flushed will be included in document. If consignor does not follow time range agreed upon, consignor must be able to refund the purchase price paid. Flush schedule terms and technicians to be specified on entry forms.

**PURCHASER WILL PAY 25% OF PURCHASE PRICE AT TIME OF SALE AND THE REMINDER OF THE PRICE DURING TIME OF FLUSH.**

### SALE RULES:

All embryo lots sell per egg times the number of eggs in the package. With choice lots the winning bidder gets the right to pick the mating of their choice and receive three eggs.

## BLACK HILLS STOCK SHOW®

Started in 1959, The Black Hills Stock Show® has been a premier location for livestock producers to show and sell quality livestock in the midwest. The Stock Show features 10 breeds of livestock show & sales, along with a commercial heifer show, and the elite Black Hills Gold Rush Cattle Genetics Sale.

The early days of the stock show featured 3 breeds of cattle; Angus, Shorthorn, and Hereford. The shows took place in an unheated barn at the Central States Fairgrounds. Today, the event is housed at a number of locations throughout Rapid City. The Livestock Shows are held at the Rushmore Plaza Civic Center, where livestock, vendors, and other events convenient to buyers and consignors in the all-enclosed area. The Gold Rush Cattle Genetics Sale is held at the Rushmore Plaza Holiday Inn (walking distance from the Civic Center.) This event was started to celebrate the 50th Annual Black Hills Stock Show® and has continued, marking the 2018 sale as the 10th Annual Black Hills Gold Rush Sale.

We hope you enjoy the event. Please feel free to contact any of the sale staff or consignors for any questions you may have to ensure your purchase decision.

MCKY JULIETTE 6454 ET

Firewater, Design and Cigar all wrapped up in one cow. Juliette 6454 was bred at McKay's in Oklahoma out of one of his favorite cows Ms Lake Preston 420. Impeccable in her design and flawless in her structure this cow has done well making purebreds and club calves alike. Rhinestone 4658B, AKA Rhinestone Cowboy, is a Rhinestone x Aubrey 3761A that Bryan bought from the Thomas Ranch several years ago and has done a fantastic job for him.

Wonder Woman A.K.A Wasp is an Outsider by the great JoJo donor. She made her mark a couple years back by winning Kansas City, Denver and OYE, and then she started her path to being a breed leading donor. Thought of by many to be one of the best Outsider daughters going Wasp will be around for a long time. Choose from Carbon Copy, the great Rhinestone x Carbine, or Milestone, a bull that many are turning too to produce high end show cattle with an outcross pedigree.

WEBER DOLLY 1L

Look up matriarch in the dictionary, there is Dolly. A tried and true breed stable for over a decade, she is the dam of herd sires like Doc Holiday, Dr. Phil and Drs. Orders, all of whom have won at the national level. This is a different twist on a mating, but we all know what Heatwave has done and this mating has already produced females that have worked in the Bonham herd to make great red steers. You want to make those club calves with more rib and better structure, tie into these.

What more can be said about the Revolution x P606 combination that hasn't already been heard. Some of the finest cattle in the breed are of this same mating, and 236 is no exception. She has been a solid producer for Express and consistently produces calves in that \$6,000-\$8,000 range. Super maternal in her pedigree and balanced in her EPD profile she will click well with Bankroll or Deberard.
