We loaded up our car and drove to Dunlap, Iowa with four kids in just marginal weather for one reason, to look at this bull. Let us introduce you to Something About Mary aka "SAM," one of the most complete and prolific Simmental bulls we have seen in a long time. His pedigree, Relentless (Utah x 8543U) x JBSF Proud Mary (High Regard x Steel Magnolia), just solidifies the ability to transmit maternal, in fact it shouts it! Proud Mary owns as many ribbons as any female in the breed, she is big ribbed, big footed, and beautiful, she produces as good as she looks! This is a pedigree we put 100% confidence in. Owned with Sullivan Farms and Osborne Cattle ENT.

GAME CHANGER

ULTRA-LITE & FAST DRYING

NO GREASY RESIDUE

LONG LASTING VOLUME

Give your show day hair the lift and volume it needs to stand out with Sullivan's Game Changer. This mixture of all-natural ingredients creates an amplified show day hair like no other. Ready to use show day spray also works great for pre-show clipping to help the hair pop for a smooth cut. Not only does it penetrate deep, forcing the hair to stand at attention, but it also gives a deeper, more amplified look to the hair while also adding shine without any oil residue that weighs the hair down. Simply spray Sullivan's Game Changer on clean, dry hair. Comb in and go. Multiple applications can be applied throughout the day. For extra volume, blow in for 5 minutes after using the product.

AMPLIFY SHOW DAY HAIR

Thank you for donating \$4492 worth of Sullivan's Game Changer to be awarded to team fitting contest participants.
