Dear Cattleman and Cattlewoman,

It is with much pleasure that the marketing team of MC Marketing, Borhson Marketing and R & R Marketing welcome you to The Night on the Town II All Breeds edition sale in Fort Worth, TX. As you take a minute to view this sale offering you will find the very finest of several breeds of cattle in the U.S and Canada. We applaud the consignors for the superb job in creating such an amazing product and then their willingness to offer those genetics with us in this great event. This sale was designed for it to be a platform for any consignor to showcase their genetics at most professional and "business like" manner. This sale will be held in "Cowtown" at the new Springhill Suites. The preferred staff at the hotel have been gracious enough to let us be able to hold this sale in this gorgeous space. We welcome anyone from around the world to view/bid/buy in the sale with us by logging onto [www.CCI.live](http://www.CCI.live).

We would like to make a special thank you to our platinum level sponsors of this event. We have John and Dede Sullivan and family, Sullivan Farms from Dunlap, IA. They are highlighting their very best cattle with us in the event and sure appreciate their level of sponsorship and involvement in this sale.

We also want to thank Larry Coleman and his family, Coleman Angus from Charlo, MT as they are one of the lead sponsors of this event as well. They have proven to be one of the leading Angus seedstock operations in all of the country.

We are very excited for you to take time out of your busy schedule and attend the sale or view the sale online. If we can be of any assistance, then please don't hesitate to give us a call.

~ The Marketing Team

LOTS I - 6

# PROVEN DONOR

Selling 100% possession. Sullivan Farms retains the rights to two flushes.  
Selling open and ready to flush.

EXAR Frontier Gal 1257 is the \$140,000 female from the 2017 Express Ranches Big Event Sale that Sullivan Farms of Dunlap, IA purchased and is now a leading donor female. EXAR Frontier Girl is a daughter of S&R Roundtable J328 and out of EXAR Frontier Gal 1405. Her sire, S&R Roundtable J328 is the ever-consistent Plainview Lutton E102 son out of a BR Midland female, PVF Proven Queen 786. This female's dam, EXAR Frontier Gal 1405 is a daughter of Dameron First Class and out of WCC Frontier Gal 39. EXAR Frontier Gal 1257 began her show career of wins in 2017 at the North American International Livestock Exposition Roll of Victory Show taking home the Reserve Champion Winter Heifer Calf honors. Then in 2018 at the National Western Stock Show she was the Reserve Champion Angus Winter Heifer Calf, the Reserve Champion Late Winter Heifer Calf in the NWSS ROV Show and the Champion Early Winter Calf at the 2018 Fort Worth Stock Show ROV. This female's full sibling, EXAR Frontier Gal 7683 was the \$150,000 female from the 2017 Express Ranches Big Event Sale. The profound influence of their dam, EXAR Frontier Gal 1405 is absolutely unmatched. She has produced countless champions and has recorded progeny sales in excess of 2.3 million dollars. This female combines the most dominant genetics that Express Ranches utilizes in their program today. We are more than excited to have Sullivan Farms of Dunlap, IA consigning this astonishing genetic opportunity!

EXAR Frontier Gal 1405, dam of Lot 1.

EXAR Frontier Gal 4865, maternal sister to Lot 1

EXAR Frontier Gal 3734, full sister to the dam of Lot 1.

Another fresh new mating as we start to expand our Angus program. The Conley Sandy 7084 donor is going to be used very heavily at Sullivan Farms not only in our Angus program but in our Simmental program as well. She is a super sound female with some added smoothness and eye appeal. She had a decorative show career as she was selected as the Reserve Grand Champion Angus Female at the 2018 NAILE Open Show. We have very high expectations for this young donor and will be looking forward to have some purebred progeny from her in our 2021 calf crop. The Sandy cow family is some of the best genetics in the Angus breed that generate champions and sale toppers. These embryos could be your opportunity for a sale topper and National Champion.

**SULLIVAN**

DUNLAP, IA

*Handwritten signature or mark.*

SCC SCH 24 Karat 838, Lot 3 sire.

# SEXED HEIFER EMBRYOS

Brand new mating on the past sale topper for Colburn Cattle Company. Colburn Sara's Dream 6758 stems from the famous Silveiras Sara's Dream 1339 that is the dam of the dominate sire, Colburn Primo and the many many time champion female that was shown by Austin Nowatzke. 6758 is a young donor at Sullivan Farms that is just starting to hit her full stride. This past spring she produced a Conley Express daughter that sold for \$35,000 and most recently produced a Quantum Leap daughter that sold for \$30,000. The future is looking very bright for this young donor and this new mating with the popular new AI sire, SCC SCH 24 KARAT 838 should be a homerun. 24 Karat recently sired the sale topper for Udell Cattle Company at \$300,000.

Coleman Bravo,  
Lot 5 sire.

Coleman Triumph,  
full sib to Lot 5.

Coleman Chloe 9274,  
the \$70,000 valuation  
and full sib to Lot 5.

**LOT 4** - It is difficult to encompass the incredible depth of pedigree, genetic value and history of the incredible donor female, Lawsons Chloe C815. She was the lead-off female and top-seller of the 2017 Lawson Family Farms Sale purchased by Coleman Angus. One of Lawsons Chloe C815's most notable accomplishments in production is her daughter the \$120,000 valued, Coleman Chloe 975, the \$60,000 half-interest selection of Jocko Valley Cattle Company in the 2019 Coleman Angus Female Sale. This donor female is without a doubt headlining the progressive program at Coleman Angus. She is also the dam of the exciting Coleman Triumph 9145 bull, who just sold half-interest for \$225,000 to Rust Mountain View Ranch of ND and the Triumph Syndicate in the 2020 Coleman Angus Female Sale. Lawsons Chloe C815 is sired by SAV Renown 3439 and out of Lawsons Chloe Z341. This is single handedly one of the most exciting offerings to date within the Angus breed. Coleman Angus of Charlo, MT have consigned a conventional IVF Cycle from Lawsons Chloe C815, with a guarantee of eight embryos maximum of 15 (average production is north of 14 eggs/ flush). Folks- it doesn't get more monumental than this!

**LOT 5** - Here is another phenomenal opportunity to obtain genetics from the breed matriarch, Lawsons Chloe C815 and the hottest Angus sire in the business today - Coleman Bravo 6313. Coleman Angus of Charlo, MT have consigned four conventional embryos from this cutting-edge mating. Coleman Bravo 6313 is the Coleman Charlo 0256 son out of the highly productive Coleman Donna 714 female. His parents are two of the best individuals to come out of the Coleman Angus program. Bravo is a genetic masterpiece. He is a result of genetics that have stood the 'test of time' for years. He is one of the absolute hottest sires industry-wide today and was the \$450,000 top-seller in the 2018 Coleman Angus Sale. An entire catalog wouldn't fit all of the achievements of the Chloe C815 female, but here is a refresher- she was the lead-off female and top-seller of the 2017 Lawson Family Farms Sale purchased by Coleman Angus. One of Lawsons Chloe C815's most notable accomplishments in production is her daughter the \$120,000 valued, Coleman Chloe 975. She was the \$60,000 half-interest selection of Jocko Valley Cattle Company in the 2019 Coleman Angus Female Sale. This donor female is without a doubt headlining the progressive program at Coleman Angus. She is also the dam of the exciting Coleman Triumph 9145 bull, who just sold half-interest for \$225,000 to Rust Mountain View Ranch of North Dakota and the Triumph Syndicate in the 2020 Coleman Angus Female Sale. The hype is real, these genetics are all the rage and will be for decades in the future. This is one of the very best genetic offerings and we are honored that Coleman Angus of Charlo, MT are consigning these three IVF embryos to one of the most notable matings out there!

# IVF CYCLE FLUSH

America is one the most unique females that has ever come along in the Simmental breed. If you like cattle that are structurally correct, great upper and lower body shape, smooth true muscle patterned, while combining all this with a very elegant design then America is the one for you. She is the type that will literally work to nearly any sire you want to try her on. This your opportunity to get the very first IVF Cycle and genetics from this very dominate female. America started her success in the show ring at the 2020 NWSS where she was selected as the reserve champion female in the open show as a calf. Then this past summer she was selected as the Champion female at the NJHS and supreme overall at the Iowa State Fair 4-H show. Americans dam is a 3/4 blood that was very successfully shown by the Heaton. Her success includes a banner at the NAILE in the Percentage Simmental show. She is carry her success into production having their best calves year after year for the Heaton Family

**TERMS ...** Buyer is guaranteed five transferable or freezable embryos, anything over five will be yours. IVF Cycle will take place at Trans Ova in Missouri. Buyer is responsible for all cost while the cycle takes place. Sullivan Farms will provide a unit of conventional IVF quality semen free of charge on JSUL Something About Mary. Or buyer can use the sire of their choice. IVF cycle must be paid in full before the cycle will be released to buyer.

America is Due 1.28.2021 and will be available 60 days after calving.

# IVF FLUSH

Opportunity to acquire the first genetics to be offered on the popular 2020 NAILE Jr show grand champion purebred female, JASS Wheel N Deal 04G. Wheel N Deal in her first ever outing in the show ring she was selected as champion in the Jr show and was also selected as the reserve grand female in the open show at the 2020 NAILE. We feel that this young female is going to be a cornerstone of our Simmental program. She excels her contemporaries with her added foot size, bone work and the desired structural correctness that puts her at top in the breed. Whether you want to raise future show heifers or herd sires this female has all the bells and whistle to do just that.

**TERMS** ... Buyer is guaranteed five transferable or freezable embryos, anything over five will be yours. IVF Cycle will take place at Trans Ova in Missouri. Buyer is responsible for all cost while the cycle takes place. Sullivan Farms will provide a unit of conventional IVF quality semen free of charge on JSUL Something About Mary. Or buyer can use the sire of their choice. IVF cycle must be paid in full before the cycle will be released to buyer.

JASS Wheel N Deal 04G is due 1.31.2021 and will be available 60 days after calving.

**PAIR**

**SULLIVAN**

DUNLAP, IA

JSUL Mary's Profit 8352F was 1 of 4 sisters born at Sullivan Farms in their 2018 fall calf crop. She was picked to be held back to add to their show string. When the numbers got limited at the 2020 NJHS she got turned into a future donor cow and boy is she making a great young cow. The future is extremely bright for her, she will have endless breeding options and is backed by some the top genetics in the breed. Her full sister JSUL Proud Marry 8380f sold this past spring in Tim Schaeffer's sale for \$19,500 and has had a very successful show run being selected division champion at the National Jr Heifer show and reserve division champion at the 2019 NAILE Jr show. These two females come from one other most proven cows in the Simmental breed JBSF Proud Mary 317c. She has worked literally to every sire we have done her with.

AI'd on 11.28.2020 to WLE Copacetic E02..

**LOT 9A ...** Heifer calf, born 09.03.2020. Sired by 3ACES Skyfall 9576 (Angus).

Sullivan Farms will retain two successful flushes on JSUL Mary's Profit 8352F

JBSF Proud Mary, Lot 10 donor dam and dam of Lot 9.

# IVF HEIFER EMBRYOS

JSUL Something About Mary, full sib to Lot 10.

Rare opportunity to purchase genetics from one of the best cows in the breed. JBSF Proud Mary 317C is quickly surpassing expectation and living up to her success from her decorative show career. She has clicked very well to a variety of popular sires such as, Quantum Leap, Bismark, Copasetic, Profit, Duracell, and Relentless. Proud Mary has only had two calves from the dominant sire, W/C RELENTLESS 32C. The first being the new popular AI sire JSUL Something About Mary that is owned with OSBORN CATTLE ENTERPRISES, Griswold Cattle Company and Sullivan Farms. Proud Mary is one of the most consistent females at Sullivan Farms in their entire program and her genetics are some of the most desired in the country.

## SELLING CHOICE EMBRYOS

Miss Werning 8543U is one of the most prominent Simmental females in the history of the entire breed. She is the most sought-after female and the highest dollar generating donor in the Simmental breed. She is the dam of the \$205,000 W/C Bankroll 811D bull- one of the most admired purebred Simmental sires in the business today. Other notable offspring of her's are W/C Relentless 32C, W/C Bankroll 811D, W/C Executive Order 8543B, W/C Bullseye 3046A and W/C Night Watch 84E. The entirety of this catalog couldn't list all of the accomplishments this donor female has acquired. Miss Werning 8543U has been featured in the Embryos On Snow Sales for several years and her genetics always command top dollar. She has close to eight million dollars in progeny sales- so you know she's built an empire entirely on her own. This female is a legend and will continue to influence breeding programs all over the country and beyond. When the opportunity arises to purchase any sort of genetic offering that has Miss Werning 8543U headlining- you act immediately! Here are four opportunities that you can acquire and introduce to your program from the most influential Simmental donor female there is! This is your chance to select a mating that is backed by the most dominant female there is, Miss Werning 8543U. We are thrilled to have Rust Mountain View Ranch of Mercer, ND consigning these elite genetics.

# IVF FLUSH

Big time opportunity offered from Sullivan Farms on the very popular and dominate 2020 NJHS Grand Champion % Simmental. Not only did this female dominate at the NJHS but she was also selected as the 2019 Grand Champion Bred-n-Owned Female at the NJHS. Other titles include Reserve Champion female at the 2020 NWSS and the supreme champion female at the 2019 Down for the Cause. This female combines unique eye appeal with incredible body shape and depth while setting herself apart from her contemporaries with her added foot size, substance of bone and elite structural correctness. She is truly one of the most impressive percentage Simmental females ever raised at Sullivan Farms while stemming from a very dominate cow family, DAF Reba C85. Reba c85 was a past NWSS champion herself that went on to be selected as the Reserve Supreme Champion Female at the Iowa Beef Expo. She herself has been a big time egg producer and year after year she produces elite females that have highlighted many sales across the country.

JSUL REBA` S FANCY 8375F is currently fresh from calving and just started into the IVF program. She has only Been IVf'd one time and Froze 11 embryos.

**TERMS** ...Buyer is guaranteed five transferable or freezable embryos, anything over five will be yours. IVF Cycle will take place at Trans Ova in Missouri. First time ever offered embryos of this mating! Not only will this mating make some of the most elite show heifers possible but the 3/4 Simmental progeny will go onto become some of the best cows available. RJ PF Rita 8288f was one of the most talked about show heifers on the 2019 show circuit. She lived up to the chatter last fall and summer as she was selected the 2019 NAILE Supreme Champion Female overall breeds, was also selected as the Supreme Champion Female at the Iowa St Fair as well as the Grand Champion % Simmental at the 2019 National Jr Heifer Show. This powerful female is truly unique when you combine her added substance and muscle shape, with structural correctness and yet she maintains that smooth maternal show ring design. RJ PF Rita 8288f sold for half interest in last year's Vegas All Breeds Sale for \$100,000. This is one of those opportunity's that is a no brainer and you won't want to miss out on. This embryos will be available in the next 30 days.

Folks, this is an extraordinary genetic opportunity that isn't offered to the public very often. KLS Farms of Chatham, LA is consigning four IVF Heifer Embryos to the prolific JSUL Something About Mary bull and the most talked about show heifer of 2019, RJ PF Rita 8288F. JSUL Something About Mary is a son of the breed leading JBSF Proud Mary female and W/C Relentless. She is the High Regard x Steel Magnolia donor that continues to have a wicked presence all over the country. He is a son of W/C Relentless 32C, a crowd favorite of 2020 in the Simmental breed. JBSF Proud Mary has only had two calves from the dominant W/C Relentless and JSUL Something About Mary is one of them. JSUL Something About Mary is Griswold Cattle's new up and coming Simmental sire. RJ PF Rita 8288F is the elite show female of Sara Sullivan's that won the highly coveted 2019 NAILE Supreme Champion Female title. She was also the Supreme Champion Female at the Iowa State Fair as well as the Grand Champion Percentage Simmental Female at the 2019 National Junior Heifer Show. She is the record-selling \$164,000 female from RJ Cattle Company of Mitchell, SD. These four IVF heifer embryos will catapult the future owner to soaring heights within the Simmental breed and far beyond. This is a once in a lifetime opportunity to purchase a wealth of royalty within the Simmental breed.

JSUL Reba's Fancy 8375, 2020 AJSA National Classic Grand Champion % Simmental & 2020 NWSS Reserve Grand Champion Simmental Female and full sib to Lot 15.

Full sister to the 2020 NJHS Grand Champion Percentage Female, JSUL Reba's Fancy 8375F. Reba's Fancy was a standout at the 2020 and 2019 National Junior Heifer Show. In 2019 she was selected as the Grand Champion Bred-n-Owned Female. She is one of the most impressive percentage Simmental heifers we have ever raised at Sullivan Farms and her donor dam is one of our most consistent and versatile donors. Reba's Fancy was also selected as the Reserve Champion Percentage Female at the 2020 NWSS Open Show. Her dam, DAF Reba C85, was the 2016 Grand Champion Percentage Simmental Female in the Junior Show at the NWSS and went on to be the Reserve Supreme at the 2016 Iowa Beef Expo as well as Fifth Overall Female at the National Jr. Heifer Show. There will be another full sister that will be making her debut as part of the Sullivan Farms show string in 2021. In the 2020 Maternal Legends bred heifer offering three standout full sisters sold as well. This is a consistent and proven mating that makes elite show heifers and big time brood cows.

A brand new mating on the powerful, SVJ She's The Dream B796 donor that sold for \$50,000 in the 2020 Vegas All Breeds Sale for half interest. A Silveiras Style daughter of B796, JSUL Dream Big 8992f had a very successful show career that started with being selected as calf champion at the 2018 NAILE, reserve grand champion percentage female in the Jr. show at the 2019 NWSS, and was reserve grand champion female the 2019 FWSS open show. She was also selected as the grand champion percentage female in the open show at the 2019 NAILE as well as the 2020 NWSS Champion female in the Jr show. We recently sold another Silveiras Style daughter of B796 for \$15,000. We can't wait to have some progeny from the popular new sire GATEWAY FOLLOW ME F163. This new mating promises to be a big time mating from a big time proven donor.

DUNLAP, IA

SVJ She's the Dream B796 has become one of the most valuable donors for Sullivan Farms in their Simmental Program. She is now owned in partnership with KT Ranches and Canadian Sires in Canada where they paid \$50,000 for half embryo interest in the 2019 All Breed Sale.

She was a calf champion at the NAILE and has produced multiple champion at Sullivan Farms. Her Silveiras Style daughter, JSUL Dream Big 8992F was Calf Champion at the 2018 NAILE, Grand Champion Percentage Female in the Junior Show at the 2019 NWSS and was Reserve Grand Champion Female at the 2019 FWSS Open Show, and most recently was selected as the 2019 NAILE Grand Champion Female in Open Percentage Simmental show. Sara Sullivan will be showing another daughter of SVJ She's the Dream B796 in 2020 sired the Denver Champion Angus Bull, SCC Tradition of 24. Year after year this great female produces elite show females and future donors.

These embryos are sired by CDI Trustee 387F. He is a big-hipped, wide-pinned, power bull that will add true Simmental performance and maternal power. His dam is the favorite Hometown daughter in the CDI herd.

The sire of these embryos aka "SAM," one of the most complete and prolific Simmental bulls we have seen in a long time. His pedigree, Relentless (Utah x 8543U) x JBSF Proud Mary (High Regard x Steel Magnolia), just solidifies the ability to transmit maternal, in fact it shouts it! Proud Mary owns as many ribbons as any female in the breed, she is big ribbed, big footed, and beautiful, she produces as good as she looks!

OLDS, AB, CANADA

CHERRYVILLE, BC

Miss Penny 15B, Lot 19 & 20 donor dam.

Miss Penny 15B had a very successful show career for us winning the Nebraska AGR Show and being a Top 5 finish at the Iowa State Fair. This Broker daughter is moderate framed, super sound ground sow and very low maintenance in her condition. I love the potential of this new mating when you combine the power and eye appeal of Profit with Miss Penny 15B's body shape, structural correctness and moderate package. Miss Penny 15B was a past high seller out of Chad Holtkamp's pasture sale. We had two standout full sisters to these embryos in our 2020 calf crop. One sold in the 2020 Maternal Legends sale offering and the other sold in Travis Pembroke's fall sale for \$22,000. Needless to say, we will have more Profit progeny from this donor and a lot more progeny to come from her from a variety of sires.

Miss Penny 15B was the dam to many of the top heifers on the Sullivan farms 2019 Maternal Legends sale. JSUL Penny Up 9256g, a full sib to these embryos, sold for \$31,000 in the 2019 Maternal Legends sale to the Farrer family of Indiana. She had a lot of success in the show ring along with a Top 5 finish at the 2019 Hosier Beef Congress. STCC Jacked Up 4070 was the 2016 reserve grand champion Simmental bull at the NAILE that stems from the great HF Serena donor. Miss Penny 15b had a very successful show career for us winning the Nebraska AGR Show and a Top 5 finish at the Iowa State Fair. This Broker daughter is moderate framed, super sound and very soft in her body depth and very low maintenance in her condition. She is quickly becoming one of our most versatile and most valued donor cows at Sullivan Farms.

Full sib to Lot 21.

THSF Lover Boy B33, sire of Lot 21.

T/R Proven Queen E400 is a young new Angus donor that will be heavily used for years to come in our Simmental and Angus program. She is a moderate framed powerhouse that combines her power with a unique look and femininity. In her first set of ET calves she had a standout percentage Simmental heifer in the 2020 Maternal Legends Sale that is a full sister to Lot 202 embryos that resembles the look and design of her young donor dam. If you're looking to raise elite percentage show heifers, we will definitely tell you, with confidence, this is a big time mating.

**SULLIVAN**

DUNLAP, IA

SULL Black Cherri 9034G, Lot 23 and Grand Champion ShorthornPlus Female, 2020 NJSS.

# DONOR PROSPECT

SULL Black Cherri stems from some of the most dominate genetics in the breed. Her dam, Cherri 205 was a past Triple Crown winner and has raised multiple national champions including back to back NJHS grand champion purebred shorthorn females. SULL Black Cherri 9034g was a dominate champion this summer at the 2020 NJHS where she was selected the champion Shorthorn Plus and carried that success into this fall at the 2020 NAILE. At Sullivan Farms we are finding that these Shorthorn Plus females are working extremely well when mated back with Simmental sires to make percentage show heifers. This female will add performance into her progeny while generating body, power, and added eye appeal. This female is sure to be a big time generator of high dollar show heifers. Just ask the Boyert family how their Tammy cow has worked for them in their Simmental and Chianina program. The famous donor cow "Tammy" is a shorthorn plus female just like SULL Black Cherri 9034g.

Sells bred to 3ACES Skyfall 9576 (Angus); Due 1.02.2021. Sells with 1 free unit of JSUL Something About Mary Sexed Female. Sullivan Farms will retain two successful flushes on SULL Black Cherri 9034G

# DONOR PROSPECT

Schilling Gisele ET, Lot 24.

Schilling's Yashaswini, Lot 24 dam.

Bred to 3ACES Skyfall 9576 (Angus); due 01.31.2021  
 Selling half interest with the option to double up and take all (Sullivan retains two successful flushes).  
 Schilling Gisele ET is a bred female that is on the radar to becoming one of the industry's greatest donor females. She is a daughter of Schilling's R&L Confidential, the impressive son of Schillings R&L Classified. His dam is a BC Lookout 7024 female, Grubbs Miss Newsbreak 111. Schilling's R&L Confidential is siring offspring across the country with smoking good phenotypes and with royal pedigrees. His female's especially are quickly rising to the top of some of the most respected programs in the industry today and Schilling Gisele ET is no exception. Her dam, Schilling's Yashaswini is the purebred daughter of DHVO Deuce, the past Reserve Champion Female at the National Western Stock Show. This is a 50% Lim-Flex bred female that is homozygous black and heterozygous polled. Schilling Gisele ET is about as flawless as you can design a female. She is packed full of body shape, major eye appeal and a near-perfect structural build. This is a genetic opportunity you won't want to pass up. We are thrilled to have Sullivan Farms of Dunlap, IA consigning this elite bred female.

SCHILLING Gisele was a calf champion at the 2020 FWSS

# DONOR PROSPECT

Bred 04.09.2020 to Rojas TR Chivas 17109.

TMAS Ms Ester 903G is a daughter of DMAR Next D852 and TMAS Ms Ester 727E. DMAR Next D852 is the Red Angus sire known as "Lexus" and out of the influential Silveiras Mission Nexus 1378. Her dam is a Red Double B Backroad 2C daughter. There will be major history written on this elite donor female prospect. She is a Red Angus female that has hit the breed with unsurpassable force and one that you'll be reading about in the near future. TMAS Ms Ester 903G will generate offspring that will be some of the best in the Red Angus breed. Now is your chance to take advantage of this phenomenal opportunity. Bradley Cattle Company of Marshfield, MO and Hankins Farm of Springfield, MO are excited to offer this consignment and are anxiously awaiting to see TMAS Ms Ester 903G's future unfold.

TMAS Preacher 906G, maternal sib to Lot 26

A.I bred to TWG Tango 156D on May 20, 2020; preg checked in August safe to AI date.

Another truly exciting donor female consigned by Bradley Cattle Company of Marshfield, MO. TMAS Ms Edge 7723E is a daughter of Loosli Right Direction 308 and out of McPhee Silver 4823. McPhee Silver 4823 is a beautiful Cheyenne daughter that is still seen in some of the most elite pedigrees today. This proven donor is the dam of TMAS Preacher 906G. He was the high-selling Red Angus bull at the 2020 Thomas Ranch Spring Sale. Many are calling him one of the best Red Angus bulls to sell this year! This is a no-brainer when it comes to adding proven and predictable genetics to your breeding program. TMAS Ms Edge 7723E is a female that will continue to generate offspring that command top dollar and rapidly surface to the top of their contemporaries.

MNS Pearle 3121, Lot 27 dam.

Full sib to Lot 27 and recently sold for \$16,000.

Maternal sib to Lot 27

WEST BRANCH, IA

EGL GCC Red Eagle E7914, Lot 27 sire.

Guarantee of two pregnancies.

This genetic highlight is astonishing and will go down in Red Angus history as one of the most prolific matings to date. Edge Livestock of West Branch, IA have consigned five IVF unsorted embryos with a guarantee of two pregnancies to EGL GCC Red Eagle E7194 and the one and only MNS Pearle 3121. The genetic worth in these two cow families is far reaching and near impossible to put a numeric value on. EGL GCC Red Eagle is quite frankly one of the best Red Angus bulls in the industry. He is unmatched in his attractive phenotype, magnificent profile and his storied pedigree. Red Eagle is a son of Red U-2 Riff 1213C and out of a highly productive female, TJS Sarabel A174. The dam of these five embryos is MNS Pearle who needs no introduction- she is the daughter of RMS Bowie 0708 and PIE Miss Goodnight 8003. She has produced one of the most impeccable show females that the Red Angus breed has ever seen. Hadley Hartman of Tecumseh, NE took EDG Finley 3121 to the top of every show the duo attended. She was the Champion Red Angus Heifer at the 2019 North American International Livestock Exposition, the Champion Red Angus Heifer at the 2020 National Western Stock Show Junior Show, the Champion Open Red Angus Female at the 2020 National Western Stock Show and the Supreme Junior Heifer at the 2020 American Royal. This is the mating everyone has been waiting for within the Red Angus breed. Truly an exclusive offering from Edge Livestock!

Embryos are located at Boviteq, Madison, WI

WR Ms Betty 9035, Lot 28 dam.

# HEIFER EMBRYOS

WEBR Night Train 324, Lot 28 sire.

Folks, here is a truly unique opportunity to carry on the legacy of such highly esteemed bloodlines in the industry. These three IVF heifer embryos will be to the WEBR Night Train 324 X WR Ms Betty 9035 mating and when we cannot say enough about these two. WEBR Night Train 324 has sired high sellers for Weber and TC Reds, especially at the Ladies in Red Event. His progeny are full of capacious rib shape, growth and substance of bone. WR Ms Betty 9035 is one of the greatest females in the J6 Farms donor herd. She is known as a prolific show heifer and donor female that comes from a highly renowned and storied lineage. There are very few individuals that have this female's notoriety in their pedigree. A daughter of WEBR Dr. Phil that emphasizes maternal power, sheer phenotypic excellence and a high caliber pedigree. With these two individuals combined, we're confident in the depth of maternal power these embryos will exhibit.

A Night ON THE  
TOWN Sale II

DUFF Red Bear 18154, Lot 29 sire.

U2 Beauty 113Z, Lot 29 maternal grandam.

Rojas Late to the Party 8213, Lot 29 dam.

Guarantee of 1 pregnancy if implanted by a certified technician.

Trademark Genetics have completely hit it out of the park with this consignment of four IVF Sexed Heifer Embryos to the powerful DUFF Red Bear 18154 and Rojas Late To The Party 8213. DUFF Red Bear 18154 is the \$80,000 top-selling bull at the 2020 Power Plus Bull Sale that Trademark Genetics purchased. He is the very first MANN Red Box 55C son to sell. MANN Red Box is a program leader at Duff Cattle Company and his inquiries aren't just nationwide- they span from the United States to Canada and South America. He is unmatched in the Red Angus breed and for tremendous reason. DUFF Red Bear's dam, Red CC Pantera 20A, is the Canadian-bred female that goes back to the great HF Tiger 5T and Red Stewart Patricia 306N on the bottom side of her pedigree. Rojas Late To The Party 8213 is quite the impressive young show female that Madison Fischer of Hempstead, TX campaigned this year. She is the daughter of Rojas Rioja 6052 and Rojas Beauty 6101. Rojas Rioja 6052 is a son of Six Mile Lakota 112Y and a grandson of Six Mile Lakota 16W and the infamous GT Cita female. Six Mile Lakota 112Y was the 2013 Reserve National Champion Female and leading donor dam at Las Rojas. She has accumulated a powerful record of champions and high-sellers. The maternal grandam of Rojas Late To The Party 8213 is U2 Beauty 113Z. Some spend a lifetime trying to find cows as consistently potent and influential as U2 Beauty 113Z. Her production record to date is in a league of her own. Leading up to the spring of 2020, she had produced four consecutive sons that averaged \$38,000, including High Valley for \$35,000 and Blindside for \$97,000. Her last three sons in Canada lead the final U2 Ranch Bull Sale as Lot 1 and sold for \$130,000, Lot 2 that sold for \$50,000, and Lot 3 the sold for \$21,000. Most who purchase donors like these never offer their genetics publicly, especially when they literally never miss. But, we are serious about breed improvement, and look forward to seeing her long-lasting influence in the Red Angus breed throughout the U.S. The culmination of these genetics will result in a force that cannot be surpassed. Now is your time to add such winning, proven and elite genetics to your program!

# DONATION EMBRYOS

**100% of the proceeds from this lot will be donated to Gigi's Playhouse.**

Guarantee one pregnancy if implanted by a certified technician.

This is a remarkable consignment from Trademark Genetics- not only for the genetic value, but more importantly because they have chosen to donate 100% of the proceeds from this lot to Gigi's Playhouse. Gigi's Playhouse is a non-profit organization that provides programming and support for those with Down Syndrome and their families through Down Syndrome achievement centers. This offering of four conventional embryos to DUFF Red Bear 18154 and HMYH Worth It 7010 are of noteworthy lineage. DUFF Red Bear 18154 is the \$80,000 top-selling bull at the 2020 Power Plus Bull Sale that Trademark Genetics purchased. He is the very first MANN Red Box 55C son to sell. MANN Red Box is a program leader at Duff Cattle Company and his inquiries aren't just nationwide- they span from the United States to Canada and South America. He is unmatched in the Red Angus breed and for tremendous reason. DUFF Red Bear's dam, Red CC Pantera 20A, is the Canadian-bred female that goes back to the great HF Tiger 5T and Red Stewart Patricia 306N on the bottom side of her pedigree. The donor female in this mating is HMYH Worth It 7010, a daughter of WEBR Flexibility 547 and WEBR Worth It 560. Not only are these excellent genetics, but the proceeds from this will be donated to a great cause. You'll want to be a part of this extra-special offering.

Red U2 Blue Collar 295E, Lot 31A & 31B sire.

J Bar J Cat Tail 551C, a maternal sib to 31B.

Maternal sibling to Lot 31A.

**Glendenning**  
**J BAR J**

LEBANON, MO

**LOT 31A** - The possibilities are endless with this offering. Decades of genetic worth and enhancement accompany these future offspring. J Bar J Ranch of Lebanon, MO has consigned four conventional embryos to the first-class mating of Red U2 Blue Collar 295E and Red U2 Lass 330W. Red U2 Blue Collar was the \$76,000 high-selling bull in the 2018 U2 Ranch Bull Sale. He stems from some of the most prolific individuals in the Red Angus breed, going back to the famous Anexa cow family. Red U2 Lass 330W is a daughter of Red Howe Magnum 169W who has created offspring that hold elite status in many programs. She has an average weaning ratio of 115 and a yearling ratio of 101. The genetics present in these embryos qualify them as some of the absolute best Red Angus genetics there are. Invest with confidence in proven cow families that will take your program to the top!

**LOT 31B** - Another terrific offering from the great Red U2 Blue Collar 295E bull and WCR Miss Superior HA 908Z. Red U2 Blue Collar was the \$76,000 high-selling bull in the 2018 U2 Ranch Bull Sale. He stems from some of the most prolific individuals in the Red Angus breed, going back to the famous Anexa cow family. WCR Miss Superior HA 908Z is the accomplished daughter of NBAR Hamley S913. She was a top donor pick out of the 2016 Swing Time Sale acquired by HB Farms of Midway, KY. WCR Miss Superior HA 908Z has become known as one of the best females from the Superior cow family and is continuing to influence programs all over the country. These embryos will be a testament to the highly accomplished and productive genetics they stem from. You'll want to take advantage of this exciting opportunity and add genetics that have stood the ultimate test of time to your program! These four conventional embryos are consigned by J Bar J Ranch of Lebanon, MO.

Semen is qualified for U.S. and Canada Opportunity abounds. Here's your chance to get ahead of the game and purchase semen on an exciting, royally bred, proven sire. Point blank, U2 Blue Collar 295E has been admired by all who have seen him. Yet his most impressive achievements lie within his calf crops. With several progeny on file featured in select programs, there is no guesswork with this sire. His progeny are deep sided, easy doing, production-oriented cattle built for today's mainstream market. As evidence of that statement, just this past fall at the U2 dispersion several Blue Collar calves averaged near \$15,000. Given his top 35% of the breed growth indicators, structural integrity, natural base width and true muscle shape there's little question why his progeny are in extreme demand. If you are looking for proven, high quality, growth genetics investing in this sire is an easy decision. Blue Collar semen is limited publicly so December 5 marks your opportunity to gain genetics by this breed standout.

This is such an exciting opportunity to purchase semen from the noteworthy Red U2 Fortunate Son 382F. He is the \$44,000 son of Red Howe Hesston 212C and Red U2 Anexa 271Y. His dam, Red U2 Anexa was the top-earning female for U2 Ranch of Coaldale, AB. Anexa is a specimen of perfection and flawless phenotype and most notably the dam of breed influencing bulls, Reckoning 149A and Entourage 282B. Fortunate Son's sire, Hesston continues to sire progeny that demand the absolute top-dollar wherever they are located. Sand Hills Ranch of Froid, MT have consigned five lots of Fortunate Son's semen and you won't want to miss this distinguished genetic opportunity! These genetics have 'carried the torch' for so many generations and now is your chance to continue the storied history of Red U2 Fortunate Son's elite lineage.

HEIN Miss Daisy F820, Lot 35 dam.

HEIN Miss Daisy F820, Lot 35 dam.

Wynne in Doubt, Lot 35 sire.

HEIN Miss Daisy F820 was one of the most talked about show heifers of the 2019 show season in Iowa. As a calf, Rylee showed her to Champion Commercial and Fourth Overall at the 2019 Iowa Beef Expo, was also selected Reserve Champion MaineTainer at Maine-Anjou Junior Nationals, Champion MainTainer at the Iowa State Fair Open Show, as well as Champion and Reserve Champion MaineTainer in the NAILE Junior and Open shows, respectively. This powerful female consistently won throughout the 2019 campaign and is most unique when you combine her substance and muscle shape, with structural correctness and how maintains the epitome of show ring appearance. It is a very tough decision for our family to offer this opportunity out of Daisy combined with the hottest new sensation, Wynne In Doubt. It's the combination of presence bred to power that makes this an easy investment in proven champion genetics. Daisy F820 is TH free. Guarantee one pregnancy.

Embryos are stored at Collison Embryo Services Rockwell City, Iowa.

# BULL / STEER EMBRYOS

In God We Trust, Lot 36A sire.

Man Among Boys, Lot 36B sire.

**LOT 36A** - Red Rock Limousin of Gary, TX has such a progressive breeding program that many cattlemen look to for new and exciting genetic blends. They have consigned four IVF bull embryos to the popular Chianina sire, In God We Trust and the tremendous Lim-Flex donor female, PBRS Destiny 6285D. Every national show champion steer in 2020 has been a calf of color. In God We Trust sired the 2019 Grand Champion Fort Worth Stock Show Steer and many other champions. He sold for \$100,000 1/2 interest and is one of the best bulls to enter the competitive club calf world. PBRS Destiny 6285D is a daughter of the great Cottage Lake Border Agent bull. She was one of the top-sellers at the 11th Annual P Bar S Ranch Production Sale. In God We Trust is known for siring offspring full of color- so you can take the guesswork out of creating steer calves with major potential and backed by a powerful Lim-Flex donor, PBRS Destiny 6285D. These embryos will be the winning kind that so many desire and now is your chance to hit the ground running with a mating that no one has seen before!

**LOT 36B** - These four IVF bull embryos will be from the mating of the ever-consistent club calf sire, Man Among Boys and the highly productive Lim-Flex donor, PBRS Destiny 6285D. MAB is a proven club calf sire that has sired champions all over the country. Some of his most notable sons in use today include Italian Stallion, One In The Chamber and countless others. MAB sired the 2015 North American International Livestock Exposition Grand Champion Steer. This is a mating that you can expect big results from! This mating will be on the radar of the most progressive club calf operations in a major way- so take the plunge and get a head start on creating your next national champion!
