2021 Northland Classic Sale Order

**Lot 1: Neil Cattle: Cole Neil Steer DOB: 3-11-21 Sire: Cash On Delivery
County of Origin: Bremer Dam: Lancer Angus**

Here's a really good steer. Killer looking, sound, square, and awesome presence. This calf checks all the boxes and does it in a unique package. I think this calf can be competitive at all stages of the game especially come August.

**Lot 2: D&D Cattle Company Steer DOB: 2-28-21 Sire: Ain't Bluffin
County of Origin: Benton Dam: Surround Sound**

Big time prospect here is a maternal brother to the steer sold at last year's sale, that was champion sale steer at the Northland Classic Show. Big Bone, big top and hair like a yak. He has already hung banners-being named the champion cross-bred, and reserve champion market animal at the Butler County Prospect Show.

**Lot 3: Frye Cattle: Carson Frye Steer DOB: 3-15-21 Sire: Here I Am
County of Origin: Buchanan Dam: Primo**

Fan favorite in the pasture. This calf will be good no matter your end point.

**Lot 4: Huth Cattle Company Heifer DOB: 2-5-21 Sire: Marksman
County of Origin: Richland, WI Dam: SES Sydney's Jessie 336Z**

RED, WHITE, AND BLUE!!! A red a white heifer that is going to grab some blue over her show career and then also make many generations of champions. We are as excited about this heifer as any calf we sold this year as she is a true breed changer. Feminine, sound structured, big boned, smooth shouldered, square made, and best part puppy dog tame. This cow family has won divisions at NAILE, Kansas City, and Hereford Junior Nationals- this heifer won't be any different. We have had many visitors out to the farm and she is consistently the fan favorite of the heifer pen. Opportunity is knocking at the door and all you have to do is open it up on Saturday night in Decorah!!

**Lot 5: Stortz Family Heifer DOB: 3-12-21 Sire: Vindication
County of Origin: Allamakee Dam: Broker**

006 has been an eye catcher since day one. It's hard to put this level of hair, look, and style into a 3/4 blood Simmental. This female is a bit more moderate in terms of frame score than her sister by Relentless--but this one has that extra sweep to her rib cage which should set her apart.

**Lot 6: Rolling W Show Stock Market Heifer DOB: 4-8-21 Sire: Lovin Spoonful-xbred
County of Origin: Winneshiek Dam: Krystal-Commercial Charlois**

A well balanced young heifer that is a pleasure to work with. Should be a good beginner project wrapped in a pretty package.

Lot 7:Nick Bernhard Steer DOB:3-15-21 Sire: Walks Alone
County of Origin: Chickasaw Dam:Commercial

Wide back, wide butt, big boned and goose necked. The winning combination in a show steer.
This calf has them all!

Lot 8: Wagon Wheel Stock Farm: Ben Holty Steer DOB: 3-1-21 Sire:Vision Unanimous
County of Origin:Houston, MN Dam: Purebred Limousin

Real nice purebred steer, easy fleshing. You'll have fun showing this Limousin steer in the breed
steer division.

Lot 9:Mitchell Family Shorthorns Steer DOB:4-12-21
Sire: Mav Bellringer 804u / Shorthorn
County of Origin:Bremer Dam: DRM Sweet Beauty 703 / Shorthorn Plus

This Shorthorn plus steer is a full brother to the high selling bull in the 2021 Shorthorn Expo
Sale. His mother was champion plus heifer in the 2018 Iowa State fair FFA show.

Lot 10. Dee Vee M's Farm-Chris Dahlke Heifer DOB:1-27-21 Sire: BOE Garth
County of Origin: Goodhue, MN Dam: Uno Mas

DVMS Miss Jewel 104J. An absolute knockout of a breeding piece, this High Maine has all the
bells and whistles to get it done in the show ring and in the pasture. Massive in her design,
awesome-strided, and a profile that will knock your socks off. Bid with confidence on this young
lady, she is built for the long haul! She is a registered Maine.

Lot 11:Lee Hardersen Steer DOB:3-4-21 Sire: Data Bank
County of Origin:Jones Dam: Steel Force

Wanted heifer, got steer..... But I'm not going to complain too much about this guy. He's big
hipped, long necked, great hair and comes with some chrome too. He has the ability to be dual
registered as maine or simmental.

Lot 12: Dan Alstad Steer DOB: 4-7-21 Sire:One of A Kind
County of Origin: Houston,MN Dam:Monopoly Granddaughter

This steer is a wide made ,big ribbed, heavy muscled animal. Should be a competitive steer!

Lot 13:Tyler Rue Steer DOB: 3-15-21 Sire:Getcha Some
County of Origin: Winneshiek Dam:406 Irish Whiskey

This one just keeps getting better and better. Big boned lots of muscle and gets out and can
move. He's out of my favorite donor I own. This one has lots of potential.

Lot 14: Sugar Maple Angus Heifer DOB:1-20-21 Sire:SMA GQ 377
County of Origin:Grant, WI Dam: SMA JOSAPHINE 428

This heifer is a big bellied straight topped huge boned calf that is puppy dog calm. Would make
a good heifer for a young showman. She is sired by SMA GQ who is out of the same cow that
sired the 2015 Denver Champion bull. Ready to go showing!

Lot 15: Derek Whittle Steer DOB:3-11-21 Sire: Turton Son
County of Origin:Allamakee Dam: ¾ Simmental
A smokey steer that is soft made, packed with muscle in an attractive package.

Lot 16: HF Cattle Steer DOB: 2-26-21 Sire:Denali
County of Origin: Howard Dam: Simm/Angus
We showed this guy's full sister last year and did very well. He can be registered as a maintainer. Has been puppy dog tame since day one.

Lot 17: Roble Family Farms Steer DOB:3-15-21 Sire: CCR COWBOY CUT 5048Z
County of Origin: Olmstead, MN Dam:Queen
Here's a breed steer opportunity that's a baldy to boot. He has already been shown at the Minnesota Beef Expo. This baldy can be shown as a Simmental.

Lot 18:Huth Cattle Company Steer DOB:3-22-21 Sire: PVF Insight
County of Origin:Richland, WI Dam: Topline Ellie
BREED STEER ALERT!!! There aren't very many Angus steers that can compete with the crossbreds, but this one will. Awesome structured, stout, good fronted, and well balanced. This cow family is not new to making high caliber Angus steers as this calf's maternal sib won the Angus State show in Wisconsin last year. Is your goal to get in the final drive at your county or state fair? If it is, this steer is the one for you!

Lot 19:Wagon Wheel Stock Farm: Ben Holty Heifer DOB:4-2-21
Sire:Vision Unanimous
County of Origin:Houston,MN Dam: Kahler Kingsmen
Out of a first calf heifer, real good disposition. She has all the right pieces build your herd around.

Lot 20: Neil Cattle: Cole Neil Market Heifer DOB: 4-5-21 Sire: Here I Am
County of Origin: Bremer Dam: Monti Montana
This heifer checks a lot of boxes. Sound legged, easy fleshing, good looking, and has some muscle. She's extremely docile and moves really well. This one will make a nice cow when she's done in the show ring.

Lot 21:D&D Cattle Company Steer DOB:3-10-21 Sire: Simplify
County of Origin: Benton Dam: Irish Whiskey
A real nice Maine steer here, has all the right pieces to be a top end steer, just needs time and feed. He is out of a Irish whiskey first calf heifer that is soon to be a donor.

Lot 22:Frye Cattle: Carson Frye Steer DOB:3-25-21 Sire:Here I Am
County of Origin:Buchanan Dam: Yellow Jacket
Cool looking dude. Just green. Get him home and push the coals to him.

**Lot 23: Dee Vee M's Farm-Chris Dahlke Steer DOB: 4-10-20 Sire: Peace of Mind
County of Origin: Goodhue, MN Dam: First-N-Goal**

This guy may be a little younger but doesn't give up an ounce of quality. He has an exotic front that blends seamlessly through his shoulder and into a huge middle, topped off with a big, square hip that leaves you speechless. As an added bonus he sets down on a huge foot and is ultra-hairy. Buy him and push the feed to him all the way through next summer to the backdrop-this one is a no-brainer. He will show as a Maine.

**Lot 24: Mitchell Family Shorthorns Heifer DOB: 5-4-21
County of Origin: Bremer Sire:Hartgers Maternal Made / Maintainer

Lot 34: Huth Cattle Company Heifer DOB: 4-19-21

Awesome Pedigreed, beautifully designed, flawless structured Primo daughter. Anytime a past show heifer produces a calf like this the sentimental value is heavy. This heifer WILL BE AN AWESOME COW after her show career as her dam is one of our very best donors.If my niece was old enough to show this heifer wouldn't be for sale. Take advantage!
