

D.F. CROSLLEY'S

PROMOTES HEALING - PROTECTS SKIN - PREVENTS INFECTION

SKIN & HOOF SPRAY

INTENDED FOR

HOGS | SHEEP | CATTLE | GOATS | HORSES

Production and show stock are prone to skin, cuts and abrasions that could lead to troublesome bacterial and fungal infections. Our Skin and Hoof Paste, when applied, forms a flexible and breathable barrier; prevents infection, protects skin and hooves, and promotes healing. It blends unique, natural biodegradable ingredients of cooper and zinc ions and three essential oils into an easy to use spray.

OUR UNIQUE SPRAY

- > Convenient to carry
- > Easy to apply
- > Patented antibiotic free product
- > Forms a protective barrier on skin and and hooves
- > Biodegradable
