SNAX

Nutritional Electrolyte Treat

- The SNAX Nutritional Electrolyte Soft Chew Treats feature a full spectrum of fatty acids, dextrose, and vitamins.
- Fatty acids such as these Omega's help to hold water in the muscle increasing the hydration process to build muscle expression on show days.
- Maintains healthy blood sugar levels, controls inflammation and stress reactions that animals can endure while at shows.
- SNAX contains many of the same nutritional ingredients found in Spark'd to give your animal that extra boost on show day.
- Great to feed your animal at a show when they are on a limited diet.

Sullivan's
Spark'd

Electrolyte Nutritional Supplement for Swine

- The most unique nutritional supplement to date for swine!
- Provides a combination of electrolytes, protein, amino acids, vitamins, and trace minerals all in one formula.
- Tremendous for muscle hydration, added definition, and body fill.
- Freshened appearance and more expansion over the back and top of shoulder.
- Helps maintain metabolic balance during heat and cold stress.

Sullivan's
SMART Hi-Back Feeder

- No-Break Plastic
- No Harsh Sharp Edges
- Lower Front Edge for Easy Access
- Easy to Hang & Clean

Sullivan's
Red Wave

Intensifying Red Polish

The vibrant, all-natural liquid polish for dark red animals, especially Duroc hogs. Features a dark red resin blend with optical brighteners that create depth of color, added dimension, and increased shine to your animal. Perfect to cover uneven color patterns, faded hair, blemishes, and overall stale appearances.

Sullivan's
Black Pearl

Intensifying Black Polish

Black Pearl, the all-natural liquid black polish for all black animals. Features a proprietary black resin blend to infuse a brilliant black color tone to create extra depth, dimension, shine, and a fresh look to black pigmented livestock, especially hogs. Perfect to cover faded hair and skin, sunburns, stains, scrapes, blemishes, and overall stale appearances.
